Conditions of Purchase

- By signing and accepting this quotation, the customer acknowledges and agrees to be bound by our standard Terms and Conditions, which are available on our website at www.fabrinox.com
- In the event of any discrepancies between Terms and Conditions, both parties agree to engage in good faith to resolve such differences.

Terms and Conditions:

- All drawings supplied by the customer must be in 1:1 scale. Fabrinox will not take any responsibility for parts manufactured from incorrectly scaled drawings.
- Prices might vary if the customer decides to order individual line items.
- Prices quoted will be subject to escalation according to SEIFSA INDICES (Labour & Material).
- Please take note that the customer is responsible for the offloading of their parts at delivery. The driver will assist where possible and/or necessary.
- Our standard terms and conditions are applicable to this quotation, a copy of which is available on request.
- Please sign and return to us with your official order number for prompt processing.
- Quoted prices are ex works Paarl if delivery location falls outside our standard delivery routes. Please request standard delivery routes from sales representative.
- No cheques accepted.
- If no welding is indicated or welding symbols without sizes are provided, weld size will be interpreted as thinnest gauge up to maximum 4mm size, in the case of possible distortion a fuse weld will be applied. It is the responsibility of the customer to advise weld size if this is not applicable .

Please note that fuel surcharges may be applied, and delivery timelines may be subject to change, due to ongoing volatility in fuel pricing and availability arising from the current conflict in the Middle East.
